In the Matter of a Petition by Northern States
Power Company for a Transfer of Service
Area to Anoka Electric Cooperative

ISSUE DATE: June 15, 1990

DOCKET NO. E-101, 002/SA-89-365

ORDER APPROVING CHANGES IN
ASSIGNED SERVICE AREAS

PROCEDURAL HISTORY

On May 24, 1989, Northern States Power Company (NSP) filed a petition requesting approval of an agreement it had reached with Anoka Electric Cooperative (Anoka). The agreement would modify the two utilities' assigned service areas by transferring from NSP to Anoka three residential lots in a development in Circle Pines called Golden Lake Estates. No customer would change utilities under the agreement, which was executed before existing customers began receiving service.

On April 6, 1990, the Department of Public Service (the Department) filed comments recommending approval of the agreement.

On May 14, 1990, the Commission issued a Notice of Comment Period and Commission Meeting to allow all interested persons, including affected customers, an opportunity to comment. No one opposed approving the agreement.

The matter came before the Commission on June 6, 1990.

FINDINGS AND CONCLUSIONS

The utilities propose to modify their service area boundaries to allow the utility with closer facilities to serve the areas at issue. This is consistent with the goals of the assigned service area statutes:

It is hereby declared to be in the public interest that, in order to encourage the

development of coordinated statewide electric service at retail, to eliminate or avoid unnecessary duplication of electric utility facilities, and to promote economical, efficient, and adequate electric service to the public, the state of Minnesota shall be divided into geographic areas within which a specified electric utility shall provide electric service to customers on an exclusive basis.

Minn. Stat. § 216B.37 (1988).

The Commission finds that the agreement is in the public interest and will further the goals of the assigned service area statutes. It will be approved.

ORDER

1. The assigned service area boundary changes contained in the agreement at issue are approved.
2. The Department of Public Service shall revise the official service area maps to reflect the boundary changes approved herein.
3. This Order shall become effective immediately.

BY ORDER OF THE COMMISSION

Richard R. Lancaster
Executive Secretary

(S E A L)
